Published work

(A reference work - 40 books - 3,840 pages
photographies - 3D maps and diagrams - illustration in colour)

A complete illustrated history from the archives of Osprey, the specialist military history publisher, with black-and-white and colour illustrations, spectacular 3D maps and diagrams, and innumerable photographs from the period.

World War II was history's biggest and bloodiest conflict: the armies of more than 70 countries participated from September 1939 to September 1945 in a war between the world's greatest powers.

40 decisive battles, step by step, month by month... Poland, France, Tobruk, Pearl Harbour, El Alamein, Stalingrad, Iwo Jima, ...

Opposite plans, most famous commanders biographies, their strategies as Market-Garden Operation, the D Day, legendary armies as Luftwaffe, Afrika Korps, weapons...

Collection organised chronologically, from Poland invasion till Berlin fall and capitulation...
